ELECTRONIC JOURNAL OF MEDICAL AND DENTAL STUDIES

Electronic Journal of Medical and Dental Studies is a multidisciplinary peer-reviewed journal publishing articles in the fields of medical and dental sciences. **Electronic Journal of Medical and Dental Studies** is published quarterly (March, June, September and December) by Modestum LTD.

Electronic Journal of Medical and Dental Studies encourages submissions from all authors throughout the world. Manuscripts are judged by two experts solely on the basis of their contribution of original data, ideas and their presentation. All manuscripts must comply with Instructions to Authors. The following articles will be considered for publication:

- original and review articles,
- editorials,
- short communication, and
- letters to the editor.

Submitted manuscripts must not have been published, accepted for publication or be under consideration elsewhere. Investigation on human subjects should conform to the guidelines noted in the World Health Organization Chronicle 1976; 30: 360-362. All articles will be critically reviewed by the editor and members of the editorial or advisory board of the journal within 2 months, but longer delays are sometimes unavoidable. Full details may be found in the section of Instructions to Authors.

Authors are referred to the statement on uniform requirements for manuscripts submitted to biomedical journals prepared by an international committee of medical journal editors. (Br Med J 1982; 284: 1766-1770, Ann Intern Med 1982; 96: 766-771.)
